FOOTNOTES -- The following statements are referenced to the numbered footnotes throughout section 2.

- 76 Department of Natural Resources, Executive Director's Office, Administration -- In addition to the transfer authority provided in Section 24-75-108, C.R.S., the Department may transfer up to 5.0 percent of the total appropriation among the following line items in this section: Personal Services and Operating Expenses.
- 77 Department of Natural Resources, Division of Reclamation, Mining, and Safety, Inactive Mines, Program Costs -- This appropriation remains available until completion of the project or the close of the 2027-28 state fiscal year, whichever comes first.
- 78 Department of Natural Resources, Energy and Carbon Management Commission, Emergency Response -- It is the General Assembly's intent that this appropriation be expended if there is an oil and gas related emergency under the jurisdiction of the Energy and Carbon Management Commission. The purpose of this appropriation is to fund investigation, prevention, monitoring, and mitigation of circumstances caused by or that are alleged to be associated with oil and gas activities and that call for immediate action by the Energy and Carbon Management Commission.
- 79 Department of Natural Resources, Division of Parks and Wildlife, Colorado Parks and Wildlife Operations, Wildlife Operations -- It is the General Assembly's intent that \$1,835,732 General Fund appropriated for this line item be used for the implementation of Proposition 114 for the reintroduction and management of gray wolves.
- 80 Department of Natural Resources, Division of Parks and Wildlife, Colorado Parks and Wildlife Operations, Wildlife Operations -- It is the General Assembly's intent that the portion of these funds that are intended to be appropriated for the implementation of Proposition 114 not be spent on any future wolf reintroduction unless and until all state funded preventative measures discussed by the Parks and Wildlife Commission as part of its denial of a citizen petition to halt wolf reintroduction during its January 8, 2025, meeting are implemented to the highest degree possible to assist owners of livestock in preventing and resolving conflicts between gray wolves and livestock. These measures specifically include, but are not limited to, placement of an appropriate number of trained range riders in all the areas where wolves are physically located to assist owners of livestock in preventing and resolving conflicts between gray wolves and livestock, development and implementation of depredation response operation teams proximate to such areas, deployment of additional nonlethal conflict techniques, and implementation of site assessment and collaboration with the Colorado Department of Agriculture on carcass management programs to minimize attractants.
